

## 4 & 5 MAY 2024 BOOKING INFORMATION

**CLUB DISPLAY VEHICLE AND TICKET BOOKING DEADLINE: 5pm Sunday 21 April 2024**

Go to: <https://displaymyvehicle.msv.com/calendar/donington-park/2024/may/donington-historic-festival/apply?group=42c252f4-ef52-4cd1-add7-a942a6b11f5d>

If requested, use booking code **9157**

Then login to your MSV account, or register and create an MSV account if you don't already have one. This will then take you to the booking page for our club attending the event, with the club discount already applied. You will need to register your display vehicle account to your account, even if you previously had it registered with MSV, as their new system hasn't carried vehicles over from previous years.

Select the day or days you wish to attend and follow the booking process. Two separate items will automatically be put into your basket:

1. A vehicle display pass (this is NOT your driver entry ticket, it is the parking pass for your car). This will be emailed to you two weeks before the Festival.
2. Your driver entry ticket – this is your ticket to enter the event, and will be sent to you immediately upon booking, using the delivery method you choose.

Please also remember to add tickets for any passengers as you go through the booking process. When you get to the checkout you should find that the full 50% club discount has been applied, even if the full price for passenger tickets appears at some point during the process.

*Please note, there is no telephone booking facility, and the club discount is only available to those bringing a display vehicle (and their vehicle passengers).*

### **Important:**

If you change your display car between time of booking and the event, or wish to bring a different car on each day, your original parking pass will work, even though the car description and registration number might change. **You do NOT need to request a replacement parking pass.**

For queries about your booking please email [events@msv.com](mailto:events@msv.com)

For any other queries please email the DHF club co-ordinator Karen Coe: [karen@historicpromotions.com](mailto:karen@historicpromotions.com)
